

AUSRAIL PLUS 2019 – Sydney, Australia, 3-5 December 2019

ABOUT THE EVENT

Australasian Railway Association (ARA), AusRAIL PLUS 2019 conference and exhibition, will be held at the **ICC Sydney**. It is the largest rail event in the southern hemisphere with three extensive days of learning and networking.

With the all-encompassing theme, **‘Delivering Growth; Creating Opportunity; Embracing Technology’**, AusRAIL PLUS 2019 will explore the challenges and opportunities in all sectors of the rail industry. This conference will attract over 900 senior attendees to the conference program which includes plenary sessions, technical streams, live polling sessions and forums with well-respected industry leaders and CEOs. The conference and technical streams are complemented by an impressive trade show and feature the **Innovation Hub** – a resource centre of new ideas.

AusRAIL PLUS 2019 features Australasia’s largest rail exhibition running alongside the conference with over 400 exhibiting organisations. SNC-Lavalin’s Atkins business has been exhibiting at this major industry event for the past few years and is pleased to continue this sponsorship in 2019.

Our participation provides an opportunity to network with potential clients, leverage opportunities and to communicate our Rail industry capabilities.
